Community winner announced as *Ambassador of Stark County!*

Canton, Ohio- The Canton of Stark County Convention & Visitors Bureau has announced the Ambassador of Stark County is William Frick. Frick was selected from over 2000 ballots cast during the *Best of Stark County* voting program the bureau promoted in April!

Frick will receive two airline tickets from AirTran Airways out of Akron-Canton Airport to anywhere in the continental US AirTran flies! "Wow, I saw the poster at the Sanctuary for voting for *Best of Stark County* and thought I should give back to them and others I visit in our community!" Frick said when he was informed. Frick, very excited, does not have plans as of yet on where he will travel. The Convention & Visitors Bureau has made sure he will definitely be a true ambassador as he travels with an official duffle bag, lunch cooler and other Canton of Stark County items.

The *Best of Stark County* promotion will again take place in April 2008, so cast a ballot and you never know what you might win. For a complete list of the 2007 *Best of Stark County* log onto the Bureau's Web Site at www.cantonstarkcvb.com.
