The Winery at Perennial Vineyards is proud to announce our second annual "Wine at the Moon" Art and Music Festival June 20-22. Our inaugural season brought over 20 artists in a variety of mediums and over 700 patrons. This year we are expanding our advertising, with generous help from the Canton Stark County Visitors Bureau, and expect 800-1200 patrons. Festival highlights will include painting demonstrations by "Raw UMBER" and ironwork demonstrations by "Iron Orchid Forge". Six area bands will appear on our outdoor stage with music ranging from country, to jazz and rock.

The festival kicks off Friday evening with local jazz favorites, Dave Marchioni, Eddie Franklin, and David Sterle. On Saturday and Sunday artisans open their booths at noon and music will begin at 2pm. The music lineup features local favorites; Matt Willis, Beatles & Classics, and Tim Gang. Wine tasting and plenty of good food are available each day. Perennial Vineyards will be expanding their normal gourmet pizza menu by offering grilled sandwiches both Saturday and Sunday. Admission to the festival is free, parking is \$2.00 and includes \$1.00 worth of tasting tickets.

The Winery at Perennial Vineyards is located at 11877 Poorman St. Navarre, Ohio 44662, just off Rte. 93, 1 mile North of Brewster. The Vineyards opens at 2pm Tuesday-Saturday.
